- they are a full member of the other Club, and
- both Clubs involved consent by completing and submitting the appropriate form to Bowls Victoria for approval.

For the avoidance of doubt, mid-week pennant includes all scheduled Metropolitan, Region or Division pennant games. Midweek Metropolitan Pennant is played on Tuesday, Midweek Country Pennant can be played any day from Monday to Friday.

A Pennant Permit for a new season will be available from July 1 each year and are only valid for the season they are issued and will expire on June 30 each year.

Players wishing to play for another Club under the provisions of Dual Members (see Bowls Victoria Regulations) must complete a new application annually and submit to Bowls Victoria with the appropriate fee.

A Pennant Permit provided under Dual Members is automatically voided if the Player is Cleared to a new Nominated Club during the currency of the Permit.

If a player changes their nominated club whilst carrying a Pennant Permit, their current pennant permit will be voided, and the player will need to apply for a new pennant permit.

Players who are Cleared must re-apply for a new Permit if they still require playing for another Club other than their Identified Club under the conditions of Dual Members. One Pennant Permit per competition that a member wishes to play outside of their Nominated Club is required. All permits must be submitted and approved prior to Round 4 of the competition that you are wishing to play in. Under no circumstances will permits be issued after Round 4. Please allow a minimum of 5 working days to process a Pennant Permit.

An Individual Member who is affiliated with another State or Territory Association who wishes to register with a Victorian Club for the purpose of playing pennant should complete the current Bowls Australia "Interstate Pennant Declaration" form.
