## CONDITIONS OF PLAY FOR STATE CHAMPIONSHIP EVENTS

### Introduction

The Board of Bowls Victoria (BV) has approved these Conditions of Play.

The BV Championships are conducted in accordance with the:

- Laws of the Sport of Bowls, Crystal Mark 3<sup>rd</sup>. Edition, Version 3.2 (June 2020) and Bowls Australia (BA) Domestic Regulations (DR) as published April 2019
- BA Policies as found on the BA website; and
- Bowls Victoria (BV) Constitution, BV Regulations and BV Policies as found on the BV website.
- Bowls Victoria reserves the right to vary these Conditions of Play as necessary for the successful conduct of the events.
- No laws governing a sport can cope with every situation, and the laws governing the sport of bowls is no exception. The Laws of the Sport of Bowls have been drawn up in the spirit of true sportsmanship. So, if a situation arises that is not covered by the laws or these Conditions of Play, players and officials must use their common sense and a spirit of fair play to decide the appropriate course of action.

### 1 Responsibilities

Subject to the control of the Board, responsibility for the satisfactory conduct of all BV Championship events rests with Bowls Victoria and can be delegated to regions/divisions/clubs for events at these levels in accordance with these Conditions of Play.

### 2. Eligibility

- 2.1 All players must be affiliated with BV, a registered full financial member of a BV affiliated club with playing rights and recorded on the club's BowlsLink database. A breach of this requirement will result in forfeiture of the game to the opponent and/or action under Clause 15 Infringements.
- 2.2 For the Mixed Pairs, Pairs, Triples, and Fours Championships, players must be identified from clubs within the same division or same region for regions without divisions.
- 2.3 Players must not currently be under disqualification or suspension by their Club, state/territory association or national authority.
- 2.4 A player with a pennant permit may not play in the singles, pairs, mixed pairs, triples or fours championships of a region/division, other than that of their nominated club and is not eligible to represent a region/division other than that of their nominated club.
- 2.5 In addition to the eligibility requirements above, specific eligibility requirements relate to the Under 18 Championships, Novice Singles Championships, Bowlers Arm State Championships, Over 60s Championships and Multi-Disabilities Championships. The additional eligibility requirements are located in the relevant section of this document.

*Note: Any participants in organised events\* at Club level and above must be a registered financial member\*\* of a BV Member Club and recorded on the BowlsLink database as having playing rights.*

*\* Organised club events include all regular competitions regardless of the value of the prize or prestige associated with the event. For the avoidance of doubt, this includes social competitions such as Thursday morning triples where the prize might*

*be a frozen chook or a small amount of money, but does not include barefoot bowls or Christmas parties which are understood to serve as an important format to attract new members and a vital income stream for clubs.*

**\*\*** A registered financial member is any club membership that includes playing rights of any kind

### **3. Entries for all Bowls Victoria events**

- 3.1 Entries for all BV events will be made by the due date to the club/division/region in which the member(s) is/are identified for competition.
